We are welcoming a collection of local makers, artisans and artists to share our space for the weekend **21st & 22nd of November**.

Please apply by midnight 20th September and we will be in touch by 29th September to let you know if your application is successful (or not).

Our market is held under our covered outside area (bedding), which is directly by the main entrance and so every Riverside customer is bound to come have a mooch of your stalls. Check out a reel from 2025: https://www.instagram.com/p/DRXR_BYiP7M/

The event will run the same as the **opening hours** for the garden centre (Saturday: 9:30am-5pm, Sunday 10:30am-4:30pm) with time either side for set up/take down. We would like to offer as many spaces for stallholders as possible, so most (if not all) offers will be for one day.

Riverside GC is a social enterprise and so we try to keep our market as accessible to creatives and visitors as we can. As the market has grown (and footfall has increased each year), we are introducing a **£10 for full table / £5 for half table** fee to help us cover the costs of parking attendants.

We also run a **raffle** to raise money for charity - this year we have been fundraising for St Peters Hospice, a Bristol based charity which offers free adult hospice care. This is an optional addition, but we hope that most stalls can participate. More information about this will be provided to successful applicants.

Please select below if you would like a full table (space of 2x1m) or half table (space of 1x1m). We have some plant tables and chairs available we can offer for stallholders, but not enough for everyone and so we appreciate if you are able to bring your own.

If you have a friend you'd like to share with, please fill the form out together or separately - just make sure it's clear who to match it with in the comments section below!

We welcome everyone to apply - Riverside's site is fully accessible but please do let us know if we can support you in any way. Please see more information about Riverside in our FAQ and please get in touch by phone or email if you have any questions (please ask for Abigail - I generally work Tuesdays, Thursdays and Fridays). We look forward to receiving your applications!
